**Bridge The Gap Course:** Available at our Head office branch in Parklands, Cape Town

This program is designed for self-taught makeup artists with years of experience. Our goal is to enhance their professional credentials by providing a recognized qualification. Attendees will be required to create five distinct looks, as assigned by Aliko, the founder of H2T Artistry Academy, over the course of five days. Aliko will be available to offer feedback on techniques or provide guidance as needed. Each participant should arrange for at least two models to be available throughout the five days of sessions.

**International Accredited Diploma will be issued on completion of this course**
